

**Now you can support  
The Poetry Society of Texas  
*just by searching the web.***

1. Join **Give with Bing** ( <https://www.bing.com/give/join> ) Bing is owned by Microsoft.
2. Choose the non-profit organization you would like to earn points for. We hope that you will select **Poetry Society of Texas!**
3. Earn points for your chosen non-profit by using **Bing** to search the web (on your phone **and** on your browser!) and by completing “daily sets,” quizzes, polls, or any offer with a blue heart icon on your dashboard. It’s fun and **it costs you nothing** but a few minutes each day. You can do these things while watching TV. You can earn up to 150 points per day.

The screenshot shows the Microsoft Give with Bing dashboard. At the top, there is a navigation bar with the Microsoft logo, 'Give with Bing', and 'Microsoft Rewards'. On the right, there is a user profile for 'Holly' with a blue heart icon circled in red, indicating a notification. Below the navigation bar, there are links for 'Dashboard', 'Explore nonprofits', 'For nonprofits', and 'FAQ'. A red arrow points to the blue heart icon with the text 'Click the blue heart to open Activities!'. The main content area is divided into two sections. The top section, titled 'Your lifetime impact', shows '20,729 points' and '\$20.73 donated by Microsoft'. The bottom section, titled 'Your giving this month', shows '320 points' and 'Donations will be distributed at the end of each month'. The nonprofit selected is 'POETRY SOCIETY OF TEXAS'. There are social media share buttons and a 'Change nonprofit' button.
